Omaha, Nebraska**

AGENDA

Monday, August 26- Travel Day

Tuesday, August 27- Breakfast provided by hotel

8:00 - Meet in the hotel lobby to travel to Lanoha Nursery, 19111 W Center Rd, Omaha, NE

8:30-10:00 - Meet at the entrance of Lanoha Nursery for a brief layout and maps where we will be inspecting. Introduction of owner Chris Lanoha and general manager Mike Fink. Break into groups of 4-5 people for SANC inspections. Hand out sample bags. Retail area: Container grown stock and stock received from out-of-state nurseries. B&B area: Mostly NE grown stock and some evergreen trees received from other out-of-state nurseries.

10:00-10:15 - Water/restroom break

10:15-12:00 - SANC inspection at Spring Street location and across the street that has a mixture of field grown stock and container grown stock.

12:00-1:00- Lunch provided

Sandwiches and salads to be eaten at Lanoha Nursery in a conference room or designated area. (Weather permitting - Arboretum area.)

1:00-1:30 - Moderator Kathleen Pratt - Discuss any disease/insect finds from the inspections.

1:30-2:15 - Kevin Holdorf, Nebraska Department of Agriculture Pesticide Inspector
"Pesticide Damage on Ornamental Plants" presentation

2:15-3:00 - Kyle Broderick, University of Nebraska-Lincoln Plant Pathologist
"Root Rots in the Landscape: Digging Deeper for Diagnoses" PowerPoint presentation with microscope samples

3:00-3:15- Water/restroom break

3:15-4:00 - David Nielsen, Nebraska Department of Agriculture State Survey Coordinator
"Japanese Beetle Biocontrol Release in NE" and "Tick Survey Project" presentations

4:00-5:00 - Susan Ehlenbeck, Missouri Department of Agriculture Plant Protection Specialist
SANC (Systems Approach to Nursery Certification) discussion

5:00 - Closing and thank you to Lanoha Nursery

5:30 - Dinner on your own. Suggested restaurant: Lazlo's Brewery & Grill, 2415 192nd Ave,

Omaha, NE, 402-289-5840 (across the street from Lanoha Nursery).

Wednesday, August 28- Breakfast provided by hotel

8:00 - Meet in the hotel lobby to travel to Urban Roots Nursery, 15259 Cooper St, Omaha, NE

8:30-9:30 - Introduction of operations manager Christian Kratina and general manager Brett Schroer. Break into small groups to inspect fiber pot production and field grown stock.

9:30-10:00 - Travel to Urban Roots tree farm location at 1751 County Rd 5, Yutan, NE

10:00-10:15 - Water/restroom break

10:15-11:30 – Inspect field grown stock at Urban Roots Yutan site.

11:30-12:00 - Moderator Kathleen Pratt - Discuss any disease/insect finds from the inspections.

12:00 - Travel back to home states. (Lunch will be on your own.)
